Business Name: _____

Business Address: _____

Business Telephone Number: _____

Business Email Address: _____

Type of Business: _____

Application Date: _____

The company must complete an annual application at the gatehouse. One Commercial Recycling permit will be issued per organization; permits are valid July 1st - June 30th. Permits are transferable between employees of the same organization, but are not transferable between organizations.

I understand that only those items listed on the reverse will be accepted, that material must have originated from a location within Howard County, and that landfill staff may inspect the vehicle load for items ineligible for disposal under this permit. There may be a charge to dispose of such materials (i.e. trash, mattresses, roofing shingles, carpet, appliances with refrigerant, C+D debris, or tires). Landfill staff will direct the vehicle to the location where the material is to be unloaded at the Residents Area Drop-off.

I, the undersigned, certify that I have read and fully comprehend this application in its entirety and that the information herein provided is true and complete to the best of my knowledge. I further agree to abide by the Landfill Usage Rules, and agree to pay all landfill charges in accordance with the current landfill fee schedule. I understand that should any statement I have made prove to be false, misleading or erroneous, it may result in my being banned from future use of the Residents' Area Drop-off.
